

Photo ID: Portraits By Native Youth

View the online exhibit: statemuseum.arizona.edu/photoid

Portraits created by students from Ha:san Preparatory and Leadership School in response to Edward S. Curtis's photographs of American Indians.

Snap a Selfie!

How do you want to be presented in a portrait? What will it reveal about you? How is a selfie (self-portrait) different from one someone else takes of you? Think about what clothes you want to wear, your facial expression, any objects you might include, the lighting and the setting. What do you want this selfie to say about you?

Post your selfie on Instagram!
